## LED SENSORS

### Light only when needed!

Intelligent LED lighting solutions from ISOLED® reduce power consumption while maintaining the same quality of light by using energy-efficient LED lighting components and light sources

- » targeted to meet the demand,
- » the architectural framework conditions as well as
- » the availability of natural light

coordinated. In addition to the central LED lighting control technology, the zone-related circuits and the dimmable LED lamps, the essential role in these sustainable and economi-

cal LED lighting concepts is of course played by our sensors, which we present to you on the following pages:

- » LED daylight sensors
- » LED microwave motion sensors
- » LED PIR motion sensors
- » LED touch sensors
- » LED wipe sensors
- » LED contact proximity sensors

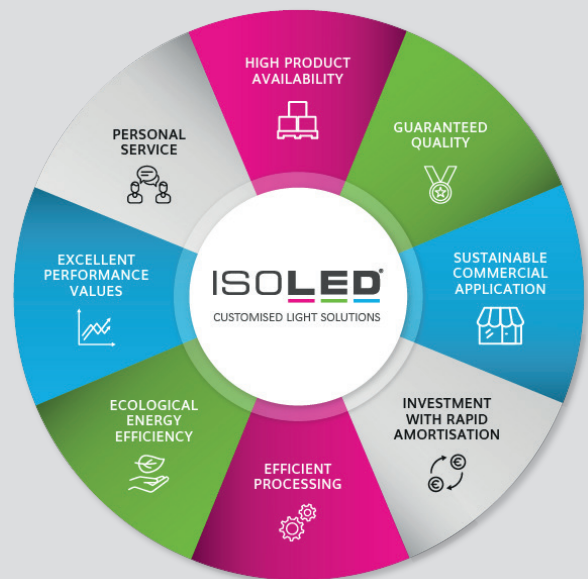

## CUSTOMISED LIGHT SOLUTIONS

SUSTAINABLE EFFICIENCY IMPROVED WITH SMART LED LIGHTING CONCEPTS

ISOLED® offers a standardized LED product range with over 2,200 branded items in

- » best and guaranteed quality,
- » with the greatest possible ecological energy efficiency,
- » with personal service and
- » efficient processing,
- » in a fair price-performance ratio,

with which future-oriented LED lighting solutions as well as intelligent LED lighting concepts with short amortisation times can be realised.

## 99% of our customers and partners recommend ISOLED® !

### Top service and advice

With excellent product quality, personal advice and first-class service, we create clear competitive advantages.

### High product availability

We offer a wide range of more than 2,200 high-quality branded products with immediate availability.

### Delivery 95% on the next working day

We are usually able to dispatch all orders received by 11am on working days on the same day.

CUSTOMISED LIGHT SOLUTIONS

## LED SENSORS

**112587** | PIR motion sensor with sensor head, detection max. 3m, 230V, 500VA

**112585** | Wipe switch with sensor head silver, wipe distance 6cm, 230V, 500VA

**112619** | Daylight sensor passive for parallel connection in active 1-10V control signal lines  
Compatible with LED Multi Transformer 111989

**111989** | LED MULTI transformer 12V/24V/350mA/500mA/700mA, Push + 1-10V dimmable, SELV  
Compatible with LED Daylight Sensor 112619

### Your ISOLED® Online portal - much more than "just a webshop"!

Choose from over 2,200 branded articles! On the ordering platform, we present you with the latest and mostand always available range of ISOLED® Brand products from our LED series production. Each article is assigned to unique product categories, unmistakably listed with its designation, illustrated with pictures and fully identified with all technical data and sketches.
